Description

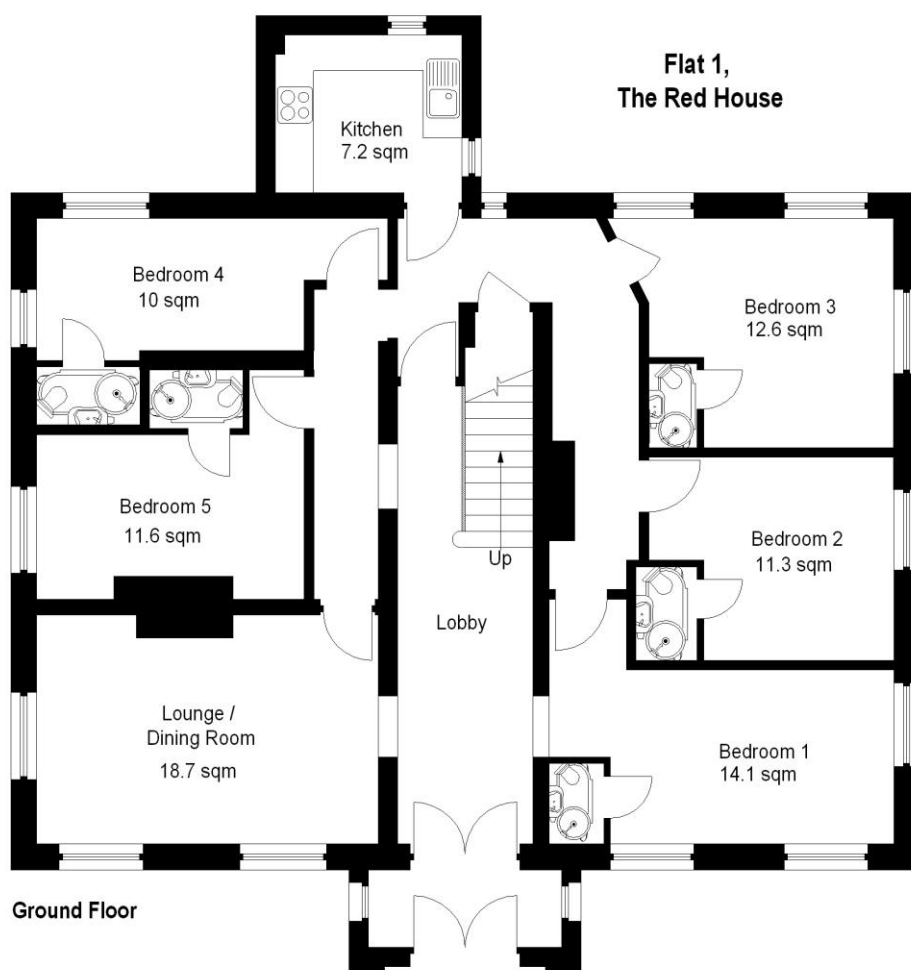

A great student let for 5 sharing, this impressive apartment forms the ground floor of a substantial building converted to offer just three quality student apartments with just 14 tenants in all. The flat provides 4 double bedrooms and one smaller room at a lower rent. All rooms are en suite with their own shower room 'pod' and are fully furnished with quality fittings. They share a good living room with two faux leather sofas, a 40' flat screen TV, coffee table, dining table and chairs. The flat has a separate fitted kitchen with appliances including a dishwasher. Outside, there is a communal grassed area and a covered bike store. A limited number of parking spaces are also available for exclusive rental at £10 each per week.

The rent is inclusive of all utilities, a TV licence and free wireless broadband.

Location

The Red House sits in an enviable location for student living, being just a brief stroll from the University of Exeter's principal Streatham Campus. There are good facilities in the immediate area - including a mini market just across the road - and the building sits between the popular Imperial Weatherspoons pub and the St David's mainline railway station.
