Description

This is a much improved two bedroom cottage, in a convenient position for access to the City centre and road links beyond. The cottage offers comfortable accommodation with an entrance porch leading into a cosy sitting room. This leads on to a kitchen with a conservatory/utility out to the rear garden. On the first floor there is a large main bedroom, a smaller second bedroom, a useful attic room and a new re-fitted bathroom. The long rear garden enjoys lots of sun and is principally laid to lawn with a decked area close to the house and pedestrian access to the rear.

We feel that this is a splendid example of its type and strongly recommend a personal inspection. Long term rental is a possibility for the right tenants. Sorry no pets. Available early March.

Location & Directions

The property sits in a very convenient location on Honiton Road with good access both to the Heavitree shops and the City centre. A bus stop with regular services is just a few yards from the front door. Most day-to-day needs can be met at Heavitree, which has a Post Office, bank branch and a filling station/super market in addition to public houses, takeaways, etc. There are schools and parks within walking distance and the position is ideal for access onto major road networks.
