## Description

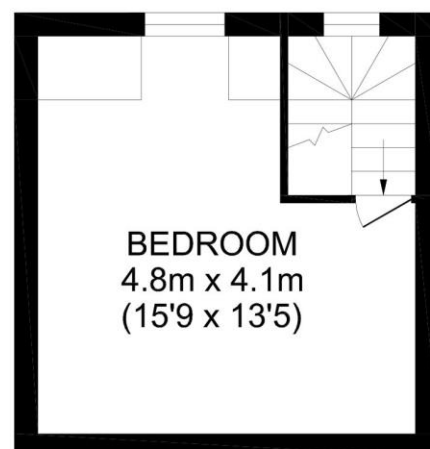

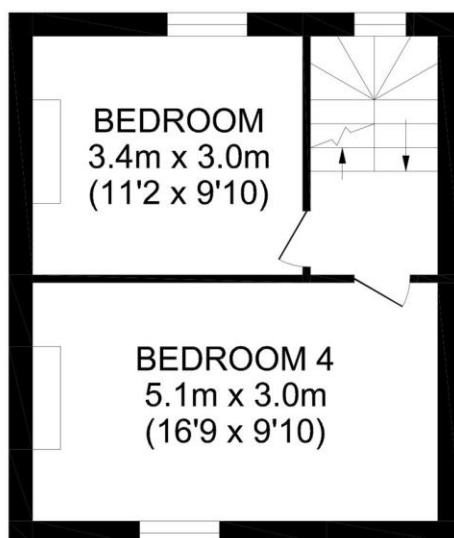

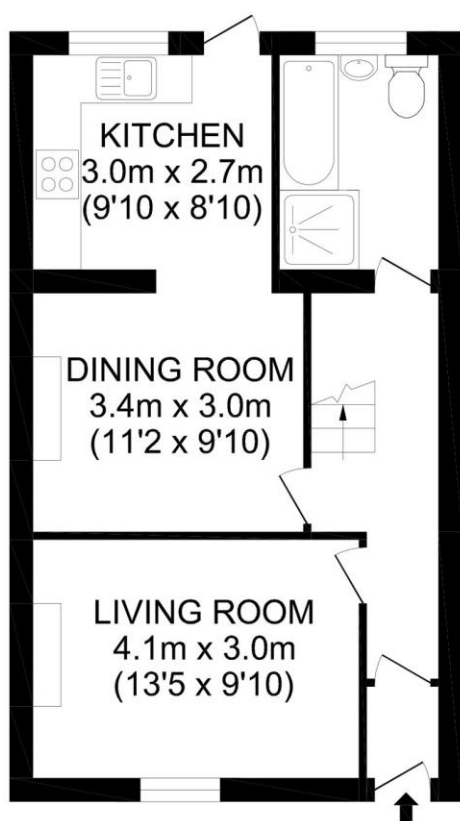

This is a four double bedroom student house in great central location. The property offers comfortable accommodation which is well presented and arranged over three floors. There is a cozy lounge open to a fitted kitchen and a spacious bathroom with bath and separate shower cubicle. The bedrooms are all of a good size and the property enjoys the comforts of gas central heating and double glazing. To the rear there is an enclosed courtyard garden with a shed which houses a freezer and dryer. The area has a permit parking scheme.

The rent includes the utilities (gas, electricity, water) and the landlord provides free high speed WIFI and a free TV licence. We feel this is a superior example of its type and early viewing is recommended to avoid disappointment.

# Location

The property sits in a great central location and is directly opposite the Royal Devon & Exeter Hospital, which may make it of particular interest to medical students. The St Luke's Campus is within easy walking distance and Streatham Campus is approximately 20-25 minutes walk away. There is a regular bus service to campus from early morning to early evening Monday to Friday during term time, with other services also provided. The position means that the many shopping, dining and leisure facilities Exeter City centre has to offer are just a brief stroll away.
