Description

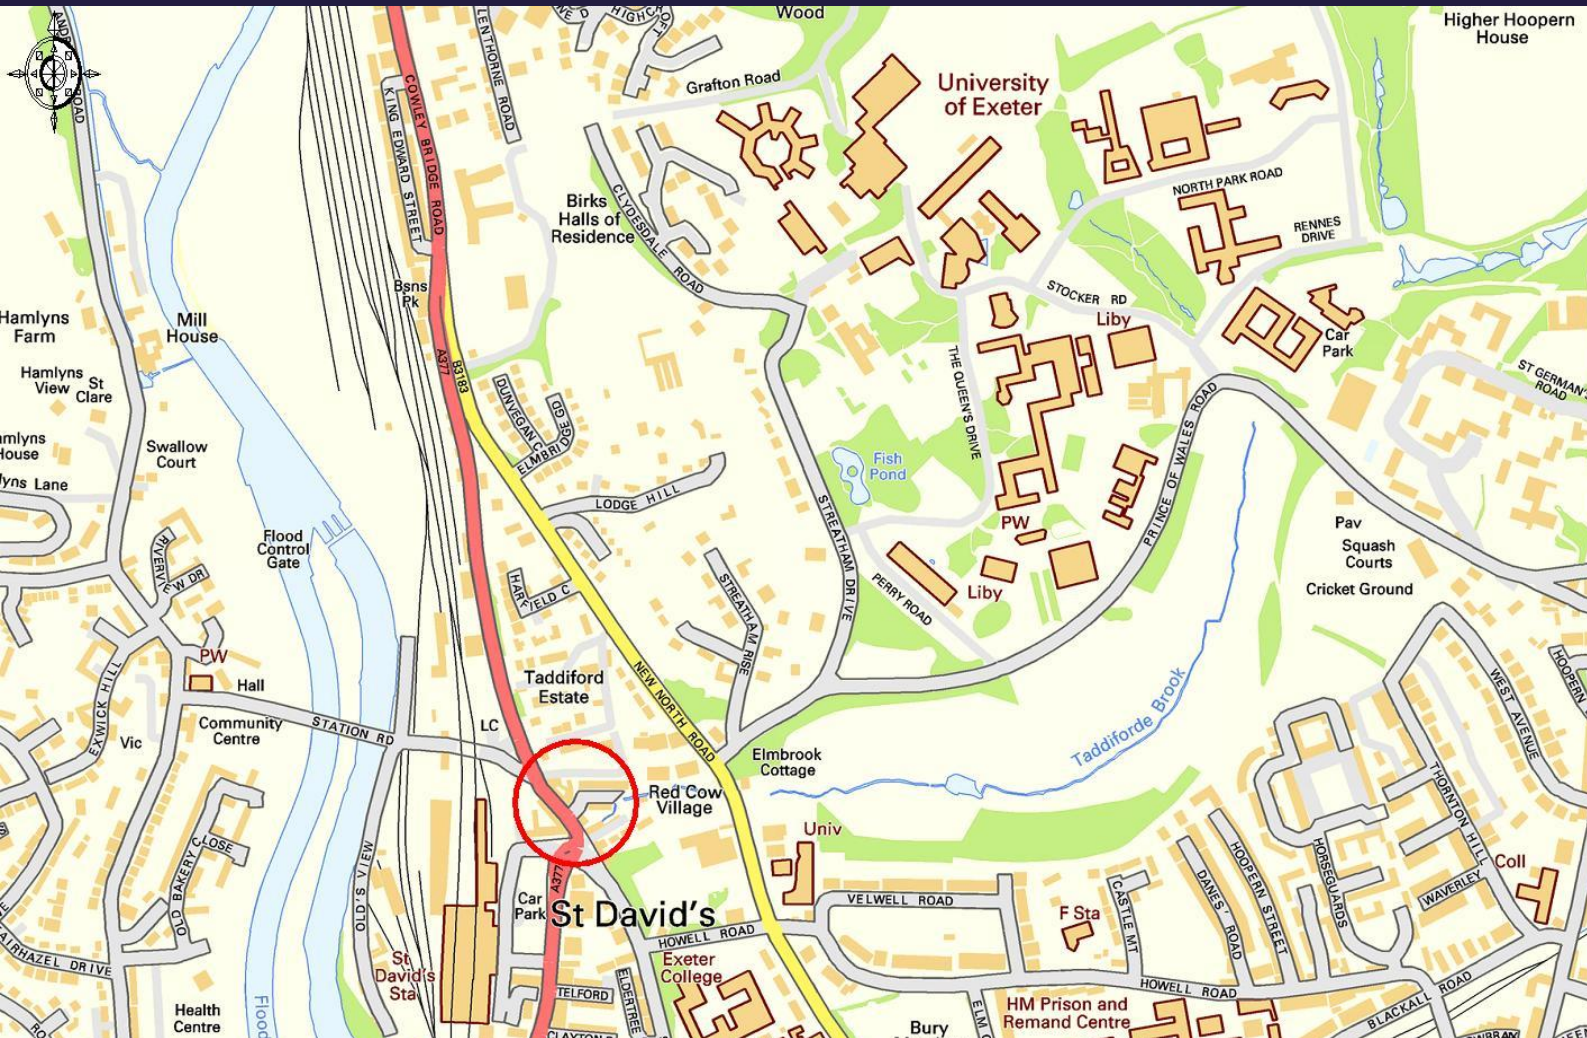

This is a quality student specific studio apartment currently let and pre-let for 2026/27. This larger than average studio sits on the first floor of a small development of similar properties. It has a well fitted kitchen area with appliances including a dishwasher and washer/dryer. There is also a quality shower room with large walk-in cubicle. The studio is offered fully furnished and enjoys the comforts of a gas central heating system and all windows are double glazed. To the rear is a large shared terrace with a covered bike store.

The studio is currently let at £210 per week (48 week agreement) and pre-let at the same level for the 2026/27 academic year. There appears to be scope to increase the weekly rent for future years.

Location

The Coldridge House development is well located only 5 minutes walk from the University of Exeter's principal Streatham campus. Exeter College campus is also nearby.
